

Neuroradiology Symposium

Organizers: DNRS and DSMMR

Wednesday May 22, 2019 - Room 1

Nordic Congress of Radiology 2019

08.30-10.00 **Stroke**

Chairs: TBA

▶ Stroke - update and new time windows (45 min.)
Dorte Damgaard, Danish Stroke Center, Aarhus, Denmark

▶ How to choose imaging modalities in stroke: MRI, CT, angiography, DWI or perfusion?
(45 min.)
Edith Nielsen, Aarhus, Denmark

Coffee

10.30-12.00 **Dementia**

Chairs: TBA

▶ Imaging in dementia - the radiological approach (30 min.)
Mona K. Beyer, Professor, Oslo, Norway

▶ Functional brain imaging in dementia (30 min.)
Ian Law, Professor, Copenhagen, Denmark

▶ Dementia - more than one disease (30 min.)
Steen Hasselbalch, Professor, Copenhagen, Denmark

Lunch in exhibition area

13.00-14.30 **Ear-Nose-Throat**

Chairs: TBA

▶ A lymph node in the neck - imaging (45 min.)
Robert Hermans, Professor, Leuven, Belgium

▶ A lymph node in the neck - clinical approach (45 min.)
Irene Wessel, Copenhagen, Denmark

Coffee

15.00-15.45 **Plenary: Opening session in room 3**

16.00-17.30 **Advances in diffusion MRI**

Chairs: Esben Thade Petersen, Hvidovre, Denmark *and* Helle Juhl Simonsen, Glostrup, Denmark

▶ Microstructure Imaging of Brain Tumours with Multidimensional Diffusion MRI (45 min.)
Prof. Markus Nilsson, Lund, Sweden

▶ Towards cell specific morphology with diffusion weighted spectroscopy (45 min.)
Henrik M. Lundell, DRCMR, Copenhagen, Denmark
