

Wednesday 22 May

		First morning session		Second morning session		First afternoon session		Second afternoon session
Reykjavik	Society DRS/DNRS/ DSMMR	Neuroradiology Stroke	Coffee	Neuroradiology Dementia	Lunch	Neuroradiology Ear-Nose-Throat	Coffee	Neuroradiology Advances in diffusion MRI
Helsinki/ Oslo	DUDS	Ultrasound Ultrasound of scrotum, kidneys and adrenals		Ultrasound US of liver vascularity and CEUS		Ultrasound Abdominal pain, Future US and nerves		Hands-on ultrasound
Denmark/ Iceland	RR	Radiography Optimization		Radiography MSK/technique		Radiography Nordic Radiography/Education		Opening ceremony
Stockholm	DFIR	Vascular intervention		Radiology today		Radiology today		
Copenhagen	DRS	Free communications		Free communications		Free communications		

Thursday 23 May

		First morning session		Second morning session		First afternoon session		Second afternoon session
Reykjavik	Society DRS/DFOR	Oncology Contrast agents	Coffee	Oncology Peritoneal metastases Spectral CT in oncology	Lunch	Abdomen Pancreatic cysts	Coffee	Abdomen Imaging parenchymal liver disease
Denmark	RR	Radiography Pediatrics		Radiography Pediatrics		Radiography Innovation		Radiography Innovation
Iceland	DSKFNM	Nuclear medicine Prostate cancer Implementation of new tests		Nuclear medicine Prostate cancer New diagnostic possibilities, clinical implications versus current guidelines		Nuclear medicine Prostate cancer What's new? What's next in physics and radiochemistry?		Nuclear medicine Prostate cancer Read with the experts
Helsinki/ Oslo	Muskrad/ DRS	Musculoskeletal/US MRI vs US in the shoulder and elbow		Musculoskeletal Spine		Musculoskeletal Arthritis		Musculoskeletal Children
Copenhagen	DRS			General Assembly NSMR		Acta Radiologica		Case report competition
Poster area/ Stockholm		Poster competition in poster area		Sim cave (ultrasound)		Sim cave (ultrasound)		Congress dinner 18.30

Friday 24 May

		First morning session		Second morning session		First afternoon session		
Reykjavik	Society DFRM/DRS	Mammography	Coffee	Mammography	Lunch	Mammography	Colour codes	
Denmark	RR	Radiography Patient safety / care		Radiography Patient safety / care		Radiography Patient safety / care		Radiology
Helsinki/ Oslo	DRS	Artificial intelligence in radiology Overview		Artificial intelligence in radiology Sequencing		Artificial intelligence in radiology Clinical applications		Nuclear medicine
Iceland	DRO/ DSKFNM	Working conditions in radiology		Nuclear medicine Infection and inflammation Bone infections		Nuclear medicine Infection and inflammation Arthritis and vasculitis		Radiography
Stockholm/ Copenhagen	THORAS	Chest imaging		Chest imaging		Chest imaging		Ultrasound
