@NCR2019

Nordic Congress of Radiology 2019

Wednesday 22 May

	Time: 8:30-10:00		10:30-12:00		13:00-14:30		15:00-16:30	
Room 1	Society DRS/DNRS/ DSMMR Neuroradiology symposium Dementia	C o f f e e	Neuroradiology symposium Demyelization	L u n c h	Neuroradiology symposium Stroke	C o f f e e	Neuroradiology symposium Advances in diffusion MRI	
Room 2	Ultrasound Ultrasound of scrotum, kidneys and adrenals		Ultrasound US of liver vascularity and CEUS		Ultrasound Abdominal pain, Future US and nerves		Ultrasound with hands-on	
Room 3	Radiographers Optimization/MSK/Technique/Education		Radiographers Optimization/MSK/Technique/Education		Radiographers Optimization/MSK/Technique/Education		Opening lecture	
Room 4	TBA		TBA		TBA			
Room 5	Free communications		Free communications		Free communications			
							Opening ceremony	Harbour tour with light meal

Thursday 23 May

	Time: 8:30-10:00		10:30-12:00		13:00-14:30		15:00-16:30
Room 1	Society DRS/DFOR Oncology Contrast agents	C o f f e e	Oncology Peritoneal metastases Spectral CT in oncology	L u n c h	Abdomen Pancreatic cysts	C o f f e e	Abdomen Imaging parenchymal liver disease
Room 2	Radiographers Pediatrics		Radiographers Pediatrics		Radiographers Innovation		Radiographers Innovation
Room 3	Nuclear medicine Prostate cancer Implementation of new tests		Nuclear medicine Prostate cancer New diagnostic possibilities, clinical implications versus current guidelines		Nuclear medicine Prostate cancer What's new? Whats next in physics and radiochemistry?		Nuclear medicine Prostate cancer Read with the experts
Room 4	Musculoskeletal Spine		Musculoskeletal Arthritis		Musculoskeletal Children		Musculoskeletal/US MRI vs US in the shoulder and elbow
Room 5	Poster competition in poster area		Free communications		Acta Radiologica		Case report competition
Sim cave		Sim cave (ultrasound)	Sim cave (ultrasound)				Congress dinner

Friday 24 May

	Time: 8:30-10:00		10:30-12:00		13:00-14:30	
Room 1	Society DRS Mammography symposium	C o f f e e	Mammography symposium	L u n c h	Mammography symposium	Colour codes Radiology Nuclear medicine Radiographers Ultrasound Miscellaneous
Room 2	Radiographers Patient safety/MRI		Radiographers Patient safety		Radiographers Patient safety	
Room 3	Machine learning in radiology		Machine learning in radiology		Machine learning in radiology	
Room 4	Organization		Nuclear medicine Infection and inflammation Bone infections		Nuclear medicine Infection and inflammation Arthritis and vasculitis	
Room 5	Chest imaging		Chest imaging		Chest imaging
